Fourth Grade News

October 28-November 1

Learning Objectives:

Reading:
We will study different nonfiction text structures.

Language:
We will focus on different grammar and punctuation items.

Word Study:
The students will be learning blends and contractions.

Math:
We will be practicing multiplying 2- and 3-digit numbers by a single digit. We will also practice story problems with too much or too little information.

Science:
We will be focusing on the nonrenewable resource of coal.

Social Studies:
We will be focusing on science concepts.

Important Notes & Reminders:

- **Positivity Project-** Creativity
- **Monday Mac & Cheese MADNESS!**- On Monday, October 28th, students can bring in boxes of macaroni and cheese to be donated to Lighthouse of Oakland County. The grade level that donates the most boxes of macaroni and cheese will be awarded with music at lunch, along with an additional grade level recess.
- **Multiplication Facts-** Fact test results are in the students' folders. Students need to keep this in their math folder so it may be updated frequently. Please continue to focus on the multiplication facts for the factors that remain blank.
- **Literature Evaluations-** Literature evaluations are due ~~**10/4, 10/25**~~ **11/15, 12/13 and** a share needs to be completed for **1/9**. The students should plan accordingly. Please remember that the rubrics and samples for these assignments are on the class webpage.
- **Reading at Home**-Students are expected to read about 30 -45 minutes every night. We understand that is hard for some nights with all the different after school activities, but it is their goal every night. They could always try and read more on nights that they have fewer activities.
- **Tardies and Absences**-If you know that your child will be missing school for any reason, please contact the school's office clerk, Mrs. Lyla Dyer, in addition to the classroom teacher. You may provide a written note or email lyla.dyer@lok12.org, along with the classroom teacher. Thank you for your cooperation.
- **Classroom websites**- You can find important documents, newsletters, and a variety of other things on these sites.
