

Dear Parents and Student,

Welcome to fourth grade! My name is Mrs. Mucci and I look forward to being your fourth-grade teacher. This year will be fantastic, and I can't wait to go on many learning adventures with you. You will find me in Room 409, which is in the new wing of Webber! I am so excited for you to see our new classroom. I look forward to meeting you and your parents on September 7<sup>th</sup> from 12:30 – 1:15 at our Meet and Greet.

I can't wait for you to be a part of my school family, but I want to tell you a little about my personal family. I have two sons, Anthony and Joey, who are 13 and 12 years old and attend Scripps Middle School. My husband, Mike, is an engineer at Ford. Over the summer, we had many adventures on the lake and went on tons of bike rides. I enjoyed reading books and resting up after the most interesting school year in my career. Get ready to share some of your summer adventures with me on our first day of school, September 7<sup>th</sup>.

Below are some items that will help you have a successful start of the school year.
